NOTE: Tiger Football and Speed Camps are designed to teach the fundamentals of football and also create a family atmosphere amongst all Tiger Football players from grades K-12. These camps give our coaches an opportunity to work with the future Loveland HS athletes and for the younger Tigers to get exposure to our varsity coaches and our system. In addition to our varsity coaches several former Loveland Tigers that play or played college football will work the camps as well as our top current varsity football players. Please consider sending your son to the camp for his grade level so that we can continue to build the Loveland Football program
